

# TRAINING FORUM – HUME REGION

UTILISING TECHNOLOGY TO ASSIST YOUTH WORK PRACTICE  
TUESDAY 17 MAY 2016

Unsealed roads, lack of public transport and vast distances to cover....and that's before you even see a client! Be part of a movement of rural / regional workers using technology in innovative ways to reach young people.

## IS THIS FORUM FOR ME?

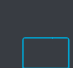

This is for workers supporting 12-25years old who use Alcohol and/or other drugs, or have related issues. It's also for Youth workers, AOD clinicians and counsellors interested in the online behaviour of young people and want to hear and share ideas about how technology can assist their practice.

## WHAT IS THE PROGRAM?

### MORNING SESSION

-  **Meet chat and network**
-  **Young and Well CRC training:** National and international leaders in youth e-health, Young and well CRC will train and present topics such as how young people use technology, their on line behaviour; Technology as an adjunct to face to face practice: medico and ethical issues of using technology to assist practice; managing a crisis in an online environment and infrastructure needs of organisations.

### AFTERNOON SESSION

-  **Practical applications of technology in practice**
  -  **Youthlaw:** Regional skype legal service
  -  **YSAS and Centre for YouthAOD practice development:** The online practice development learning hub for workers
  -  **YoDAA:** From technophobe to online AOD worker: experience of a YoDAA worker.
- There will also be lots of opportunities to network over snacks.
